

ALCATEL-LUCENT PHONE ACCESSORIES

FOR PREMIUM DESKPHONES,
DECT AND WLAN HANDSETS

This document is a quick reference guide, providing the available accessories for all currently available wireline and wireless phones.

For a full description of the accessory, please refer either to the datasheet of the accessory when it was published or to the individual phone datasheet.

This document aims to provide an overview of the available accessories and their connectivity to the corresponding phones to help the customer select what best fits their needs. Several accessories can also be used with 8012 DeskPhone or OmniTouch 8082 My IC Phone.
